AKC Sanctioned Plan BOB with Rally Match indoors!

The enclosed flyer gives you the details for where and when, but doesn't really cover the WHAT. This is a FUN dog show - with real judges and ribbons and even trophies - but not for AKC titles. It is a chance for you to try showing your dog in conformation, obedience or rally, including the new Beginner Novice obedience class. You can look up obedience and rally regulations on the AKC website www.akc.org under events and then rally or obedience. Bring your dogs(s) and put them to work and have fun!

Bring a chair and maybe a crate - there are some crates you can use at 4 Paws also. It will be cool if it is hot outdoors. Sneak into the 4 Paws shop and check out their offerings - treats, toys, grooming supplies and leashes - as well as their big self wash bath tubs and driers. 4 Paws Spa and Training Center is owned by the Greenwoods - long term BMD owners, including daughter Kristen who also handles professionally. Professional grooming as well as a wide variety of dog classes from agility to obedience to conformation showing available.
